

## Future Legacy

### Contemporary Contexts for Glass in Tourism, Design and Technologies

Product	Quantity	Price
Future Legacy Ticket	1	€25

Thank you for purchasing a ticket to Future Legacy. We look forward to seeing you there! The symposium promises to be inspirational. We hope you'll enjoy it!

Registration will take place on Friday 18th of September between 12:30 and 1:15pm, in the Nursing building at Waterford Institute of Technology, Cork Road campus. Please refer to WIT.ie for directions. (there is more than one campus)

Friday 18th September 1.30 pm -4.30pm

Here's what to expect at Future Legacy on Friday 18th:

Keynote Speech: *Glass as local identity and cultural production*

Susanne Jøker Johnsen, Denmark

*The Power of Community: Advantages and opportunities within community based open access facilities*

Chuck Lopez, USA

*Glass in the Context of Culture: An Artist's View*

Mark Angus, UK

Saturday 19th September 2015 Late registrations 9.00 – 9.45 am

*Making sense from knowhow*

V8 designers: Pierre Bindreiff & Sébastien Geissert, France

*Ancient skills, new thinking*

Treg Silkwood, USA

*MEISENTHAL: A new beginning - from industrial heritage to the development of a new economic and cultural context for this famous glass factory*

Yann Greinenberger, Centre International De l'Art des Verriers (CIAV), France

We would like to take this opportunity to update you on the events taking place during the festival!

Glassblowing demonstrations and a hot glass workshop will be taking place on Cathedral Square each afternoon from 14th to 17th of September. Come and see American Maestro Treg Silkwood experiment with colour and pattern in molten glass. Guest designers will be evolving lighting design ideas in hot glass using a mobile glassblowing studio. Afternoons from 2pm.

See glass on exhibition in the Viking Triangle from the 8th - 19th of September. Three concurrent exhibitions are being held at City Hall, the Treasures Museum and the Central Library. Open until 7pm on Friday 18th for Culture Night.

*Refract - Glass Object and Architecture – City Hall*

*International products in glass from small to large scale, showcasing contemporary design and new technologies.*

*Masters of 'The Glass' - Treasures Museum*

*Master pieces from Waterford's glassmakers past and present*

*Design Heroes Exhibition Miroslav Havel (1922 –2008) Waterford Central Library*

*Chief Glass Designer Waterford Crystal*

Learn about Glass History. The Library are hosting a series of lectures that track the history of glass in the city 1783 to the present day at the Central Library in Lady's lane.
